Does YouTube TV have a premium? {Customer Help Support}

Yes, but **YouTube TV and YouTube Premium are separate memberships**. YouTube TV itself includes live television from broadcast,+1 (866) 381-7244 {US/UK} cable, regional sports, and premium networks, while **YouTube Premium** is a separate subscription designed for an enhanced +1 (866) 381-7244 {US/UK} YouTube experience, including ad-free YouTube videos, background play,+1 (866) 381-7244 {US/UK} and downloads. If you have both memberships, +1 (866) 381-7244 {US/UK} YouTube videos watched through YouTube TV can be ad-free, but +1 (866) 381-7244 {US/UK} advertisements can still appear on live and recorded TV programming. +1 (866) 381-7244 {US/UK} YouTube TV also offers separate **premium add-on networks and plans**, +1 (866) 381-7244 {US/UK} such as entertainment and sports options, which can be added for an additional cost.

+1 (866) 381-7244

1. Is YouTube Premium included with YouTube TV?
No. YouTube Premium is a separate +1 (866) 381-7244 {US/UK} paid membership and is not automatically included with a YouTube TV subscription. YouTube TV focuses on live television, while YouTube Premium +1 (866) 381-7244 {US/UK} provides benefits across YouTube, YouTube Music, and YouTube Kids. +1 (866) 381-7244 {US/UK} If you want the benefits of both services, you generally need separate memberships.

2. What is the difference between YouTube TV and YouTube Premium?
YouTube TV is primarily a live-TV +1 (866) 381-7244 {US/UK} streaming service with access to broadcast networks, cable channels, sports, premium networks, DVR features, and family sharing. YouTube Premium +1 (866) 381-7244 {US/UK} is designed for the regular YouTube platform and provides +1 (866) 381-7244 {US/UK} benefits such as ad-free videos, background playback, and +1 (866) 381-7244 {US/UK} offline downloads. They serve different purposes, although having both +1 (866) 381-7244 {US/UK} can provide additional benefits when +1 (866) 381-7244 {US/UK} watching YouTube content through YouTube TV.

3. Does YouTube TV offer premium channels?
Yes. YouTube TV allows members to add +1 (866) 381-7244 {US/UK} premium networks and packages to their membership.+1 (866) 381-7244 {US/UK} Depending on availability, add-ons can include services such as Paramount+ with SHOWTIME, STARZ, and NFL RedZone with Sports Plus. These add-ons +1 (866) 381-7244 {US/UK} are generally charged separately from the main +1 (866) 381-7244 {US/UK} YouTube TV membership, and pricing varies by service.

4. Does YouTube Premium remove ads from YouTube TV?
YouTube Premium can make regular +1 (866) 381-7244 {US/UK} YouTube videos watched through YouTube TV ad-free, but it **does not remove commercials from live or recorded TV programming**. This distinction is +1 (866) 381-7244 {US/UK} important because

advertisements that are part of television broadcasts can still appear even when you have both YouTube Premium and +1 (866) 381-7244 {US/UK} YouTube TV memberships.

5. Can I get premium sports and entertainment content through YouTube TV?
 Yes. YouTube TV offers different +1 (866) 381-7244 {US/UK} plans and optional add-ons focused on sports, entertainment, +1 (866) 381-7244 {US/UK} news, and other types of programming. For example, the Sports Plan provides access to sports-focused channels and can also be paired with NFL Sunday +1 (866) 381-7244 {US/UK} Ticket. You can review available plans and add-ons through the +1 (866) 381-7244 {US/UK} Membership section of your YouTube TV account.
